Dear Sir/Madam:

Response

This response is in reply to the office action mailed on November 1, 2006. In that office action, the examiner has set forth a restriction requirement. Applicant elects Group I for claims 1 to 34. Accordingly, applicant has withdrawn claims 35 to 39 from prosecution from this application. If the examiner reconsiders the restriction requirement, it would be appreciated if the examiner would examine claims 35 to 39. This request for reconsideration is because the claims are directed to a hospital mattress. As such, this election is with traverse.

This response is considered to be timely filed within one month of the mailing date of this application. If any fees are due, it is respectfully requested that the USPTO contact us immediately to pay the fees, which we maintain are not due.

Respectfully submitted

Kevin D. McCarthy
